**Subject:** WELCOME BACK TO CAG

Hello everyone -

Debbie and I wanted to welcome everyone back to our regular monthly CAG meetings.

Our CAG group has recently suffered the loss of two great champions of the Passaic River clean up but in the spirit of perseverance, we know Carol and Ella would want us to continue the important work of the CAG.

In looking to the year ahead we want to ask that everyone recommit to joining in the CAG's meetings and efforts. We have very important milestones that are going to need your consideration and input - the federal government's FFS decision, the completion of the 10.9 removal, etc.

Now is the time to engage and have the community voices heard.  
We look forward to seeing you all on Thursday and kicking off an exciting year of work.

Best regards,  
Ana Baptista & Debbie Mans

Hi everyone,

If you have not provided me with your plans, please let me know ASAP, there is still room on the bus.

A charter bus pick up CAG members at St. James Church at 4 p.m. and the Tour is scheduled to begin at 4:30 PM. If it is easier to meet us at Riverside County Park North, please be there at 4:30. Here is a link to the parking

location <http://goo.gl/maps/cDW20>.

The tour should last about 90 minutes and the bus get us back to the Church around 6:30-7:00 depending on traffic.

thanks

Doug
